MEMORANDUM FOR THE RECORD

SUBJECT: Attempted Contact With House Judiciary Staff

1. Several times during the weeks of August 12th and 19th, I attempted to call the office of Arthur P. Endres, Jr., Counsel, Subcommittee on Immigration, Refugees and International Law, House Judiciary Committee, to set up a meeting to discuss the Agency's defector citizenship legislation. Each time the individual who answered the telephone have indicated that Mr. Endres was not in the office or was on leave. Each time I left a message for him to call me.

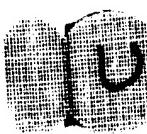

2. Finally, when I called on 20 August, the individual who answered the telephone indicated that Mr. Endres was out of the country and was not expected back in the office until 3 September 1985. Although the individual did not say so, I believe it is possible that he is traveling as a member of the House Judiciary Committee member/staff delegation currently visiting several cities in the Far East. I left a message for him to call me. I also plan to send him a short, informal note to that effect. (Attached)
